

A stylized, handwritten signature in black ink. The signature is composed of two main parts: a large, flowing 'R' on the left and a more complex, looped 'S' on the right. The lines are thick and expressive, with a cursive feel.

Marking our first foray into designing upholstered furniture, the Balance chairs are available in two variations with and without armrests. Each piece features luxurious cashmere fabric, dyed to achieve a range of desired shades. The base and ellipsoid feet are crafted from cast white bronze, and an ornamental third ellipsoid hand-carved from a single block of white onyx provides support at the rear of the seat. The overall silhouette exhibits a curvilinear form central to the collection.
