COFFEE TABLE

Dimensions: 4' Diameter x 1' 4" ht.

Material: Recycled old Burma teak wood
with natural PU polish, no added colour
+ pressed flowers + lacquer

Edition: Unique piece

Year: 2018

A coffee table handmade from recycled Burma teak, this piece represents a moment frozen in time through the radial distribution of pressed flowers. Once the flowers are placed -- each one painstakingly adhered to the wood with concentrated resin, before spraying on numerous layers of lacquer -- the final result is a high-gloss finish that has the flowers pressed for eternity.
